15TH ANNUAL PJ Schafer M · E · M · O · R · I · A · L GOLF TOURNAMENT

June 21, 2018

The Compass Pointe Golf Courses

Hosted by The PJ Schafer Memorial Fund

— BENEFITING —

The Johns Hopkins
Ciccarone Center
for the Prevention
of Heart Disease

Our golf tournament is growing every year, and in years past, the proceeds benefited the PJ Schafer Cardiovascular Research Fund. Thus far, we have donated over \$325,000 to this fund. We are a 501(c)3 non-profit organization. See our web site for more information: www.pjschafer.com.

The tournament helps us to continue supporting the work of The Johns Hopkins Ciccarone Center for the Prevention of Heart Disease. The proceeds help to fund talented, young, clinical investigators and comes at a critical time in a junior researcher's career when funding is scarce. In the short term, this support helps to kick start their research, but in the long term, it fuels the engine of discovery in the medical field.

We also support The Children's Heart Program at the University of Maryland Children's Hospital. They provide compassionate and comprehensive cardiac care for children from before birth through adulthood with a specialized team of pediatric cardiologists and surgeons,

cutting-edge diagnostic technology and interventional procedures, and an emphasis on each individual patient and their entire family. To date, we have donated over \$90,000 to this great program.

We would like to thank everyone for standing with us in our fight against heart disease.
