Wilhide Draperies, Inc.

To whom it may concern,

We are holding a golf tournament in memory of our son who passed away on March 23, 2003 while playing college lacrosse. The money raised at this tournament will fund research at The Johns Hopkins Ciccarone Center for the Prevention of Heart Disease. This research fund will help talented, young, clinical investigators to gain a better understanding of how to prevent sudden cardiac death and/or premature heart disease. This support comes at a critical time in a junior researcher's career when funding is scarce. In the short term, this support helps to kick start their research, but in the long term, it fuels the engine of innovation in the medical field.

We also support The Children's Heart Program at the University of Maryland Children's Hospital. Utilizing a specialized team of pediatric cardiologists, surgeons, and cutting-edge diagnostic technology and intervention procedures, this program provides compassionate and comprehensive cardiac care for children from before birth through adulthood with focus not only on the individual patient, but on their family as well.

The **15th Annual PJ Schafer Memorial Golf Tournament** will be held on **Thursday, June 21, 2018** at the **Compass Pointe Golf Course**. Don't miss this opportunity to get involved with this year's tournament, because after 14 years of phenomenally successful fundraising events, 2018 will be our last golf tournament. We are working hard to make this last event the best one ever.

I have attached the brochure for your information. During the Awards Banquet we run a Silent Auction. The items in the Silent Auction include: Baskets of Cheer, Vacations, Dining Out on the Town, Golf, and other Services. We are hoping that you can help us fill one of these baskets.

All donations are appreciated and will be recognized by all those that attend the tournament. Each year, over 300 people attended the tournament and Awards Banquet.

Please send donations to:

Paul & Vivian Schafer
125 Starhill Lane
Catonsville, MD 21228

Thank You,

Paul & Vivian Schafer
